NOMU

Since December 2000, NOMU has always been an unusually personal journey. The brand has always strived to stand out from its competition as approachable and accessible, with a product range that is even easier to use to create wonderful foodie experiences for any occasion. Practical, convenient and always delicious in the hands of an expert or a novice, every NOMU product reflects this focused and flavoursome approach.

In any kind of kitchen, NOMU creates flair, excitement and flavour in every meal. The plain is transformed into something extraordinary - from spices to concentrated liquid stocks, vanilla, baking kits and even an amazing range of Hot Chocolate and much more!

And with a brand new Gifting Catalogue for 2019, NOMU is now ready to offer its unique range of products to you in a wide and colourful selection of highest quality gifting concepts.

You will find a broad selection of gift and hamper concepts within, ready to surprise, delight and entertain any recipient, anywhere in the world!
