"Montagu Dried Fruit and Nuts does very well in our store. The products are of an outstanding quality and is in high demand due to the neat layout and dedicated cupboards. The cupboards look very professional and the one at our till points work exceptionally well. We've previously had Montagu products but due to the high demand have increased our space allocation for the brand.

Montagu Dried Fruit and Nuts is TOPS!"

"Montagu Droëvrugte en Neute doen uitstekend by Plattekloof Superspar. Ons het aanvanklik 'n klein rak spasie gehad en kon nie by hou met die aanvraag nie. Daar was toe besluit om groter spasie aan Montagu te gee met groter verskeidenheid produkte en die bruto wins het baie gegroei. Montagu bied ook mededingende pryse en uitstekende gehalte en diens!

Julle sal nie 'n fout maak om hulle 'n kans en spasie in jul winkel te gee nie.

*"We have a wide variety of dried fruit and nuts, but the Montagu Dried Fruit and Nuts products are **in the highest demand**. For this reason we have **grown from a 2m space to a 4m space**. We have 95% of Montagu's products in our store. This makes it more accessible to our customers. The percentage **sales growth** in our store has also grown **phenomenally**.*

We also receive great feedback from our customers. I will recommend Montagu Dried Fruit and Nuts to any store.
